

Roll Slicer

Description

This inexpensive table top machine has proved to be a valuable asset to many bakers and caterers, as it will slice not only round rolls, but finger rolls, doughnuts and eclairs. The roll slicer is easy to operate and by a simple adjustment the position and depth of slice are variable.

Features

- White stoved enamel body
- Stainless steel guides
- Circular high tensile steel blade
- Easy to use
- Easy to clean

Machine Reference

Reference	Model
FG063	Roll slicer
