

## JOB VACANCY NOTICE

### **CNC Operator** **Salary (depending on experience)**

MONO Equipment designs and manufactures a wide range of commercial bakery equipment at its factory in Swansea. The product range includes ovens, depositors, dough processing equipment and fryers. With global distribution, MONO's products are considered market-leading in many of its product categories.

The successful candidate will be operating Computer Numerically Controlled (CNC) machinery safely and accurately to perform a variety of functions. Understanding how the machinery functions and assisting with set-up and day to day operations. The goal is to produce high quality parts and materials by programming machines to perform the right operations.

Candidates should have good attention to detail; an enthusiasm for engineering, alongside the ability to manage your time well and work to strict deadlines.

#### Duties and Responsibilities Include:

- Preparing and operating CNC machines to perform tasks such as drilling, milling, turning etc.
- Performs work by following the company's operating standards
- Oversees machinery setup to make sure arrangement is safe and ready to handle the assigned raw materials
- Prepare a test run to check if the machines produce outputs according to specifications
- Set machines to complete full cycles to fabricate large number of parts
- Supervise the machines while they execute the tasks and make any necessary adjustments to produce a better result
- Make sure machines remain well-stocked so that as few interruptions of service as possible exist
- Inspect and measure finished products and compare them with requirements to determine if the process has been completed properly before moving onto the next part of the production process
- Inspect and maintain machinery to ensure production processes continue smoothly and safely
- Attend safety and other courses to enhance on-the-job operations
- Promote and participate in activities that ensure the highest safety, operational and quality standards are achieved
- Works a flexible schedule to keep up with production demand during busy production periods
- Additional tasks as and when required relevant to the job role
- Ensure that personal conduct is in line with management guidelines and company rules.
- Be able to work on own initiative
- Be a highly motivated individual

Hours of work – 37 hours; Monday to Thursday 7.15am until 15.45pm and Friday 7.15am until 12.15pm (half hour lunch)

**If you feel you have the qualities and experience to excel in this post, please send a covering letter together with your CV to Laura Daniel: [ldaniel@monoequip.com](mailto:ldaniel@monoequip.com)**
