

## JOB VACANCY NOTICE

### **Part Time Class 2 Lorry Driver (20 Hours)** **Salary (depending on experience)**

Mono Equipment designs and manufactures a wide range of commercial bakery equipment at its factory in Swansea. The product range includes ovens, depositors, dough processing equipment and fryers. With global distribution, Mono's products are considered market leading in many of its product categories

We are currently recruiting for a part time Class 2 Lorry Driver. The successful candidate will ensure safe and efficient delivery of Mono Equipment products to designated locations throughout the UK. Ensuring correct handling and delivery of Bakery Equipment and delivers with high standards of customer care.

Weekly UK travel will be required and overnight stays are a definite.

#### **Ideal candidates will have/be able to:**

- Use route navigation apps for areas of the UK and Ireland to deliver Bakery Equipment to customers on time
- Interact with customers in a professional manner
- Work occasional evenings, weekends and overnight stays when required - some early starts may be required. Overnight stays can be up to 2/3 times per week
- Complete daily maintenance checks on vehicles and notify manager of any issues
- Drive in inclement weather, such as light snow
- Maintain logs to track routes and deliveries
- Offloading of equipment from vehicle and assisting with the manoeuvring of products to designated locations.
- Drive safely and follows all laws and rules of driving to maintain a safe and healthy work environment
- Communicate with customers by phone to update them of time of deliveries if there have been issues or changes to their estimated time of arrival
- Follow pre-planned routes accurately without deviation from set course
- Maintain communication with management to be informed of any change of delivery, route or schedule
- Inform management of any obstructions to making safe, efficient deliveries on time
- Cleaning and maintaining the work vehicle as part of the daily routine.
- Work overtime when required to ensure jobs are complete for on-time product delivery
- Participate in safety training
- Promote and participate in activities that ensure the highest safety, operational and quality standards are achieved.
- Additional tasks as and when required relevant to the job role
- Ensure that personal conduct is in line with management guidelines and company rules.
- For Insurance purposes, drivers must be over 25 years of age.

#### **Qualifications/skills:**

- Previous lorry driving experience
- Current drivers CPC Qualification up to 18 tonne (required)
- Manual handling training – assisting with offloading is a definite
- Work well independently
- Familiarity with GPS devices or map apps
