

JOB VACANCY NOTICE

Design Engineer Graduate **Salary (depending on experience)**

Mono Equipment designs and manufactures a wide range of commercial bakery equipment at its factory in Swansea. The product range includes ovens, depositors, dough processing equipment and fryers. With global distribution, Mono's products are considered market leading in many of its product categories.

We are currently recruiting for a Graduate to work alongside our design engineers. This role will assist in producing drawings for day to day projects and making slight modifications to current specifications whilst using our Autodesk Inventor CAD design package.

This is an excellent opportunity to start your career in design engineering. For the right person, there is the opportunity to develop skills in design and drawing techniques within a fast-paced, busy workplace.

Candidates should have good attention to detail; problem solving; excellent numerical skills; and an enthusiasm for design and engineering, alongside the ability to manage your time well and work to strict deadlines.

Duties and responsibilities include:

- Assisting the design team in producing detailed design drawings in line with the requirement of the Design engineer.
- Assist in the process of information and drawing control – uploading/downloading files and updating records.
- Have an understanding Produce technical drawings using Autodesk Inventor CAD Design software
- Demonstrate good team working abilities
- Have good organisation and timekeeping skills, delivering projects to agreed timescales, quality and budget
- Good communication skills
- Utilisation of various methods of communication as and when required
- Ensure that your personal conduct is in line with all management guidelines and company rules.
- Be able to work on own initiative
- Be a highly motivated individual

Essential Criteria:

- Degree in Mechanical Engineering or equivalent
- Ability to use 2D and 3D CAD systems
- Ability to use Microsoft Office
- Good understanding and application of engineering principles

Hours of work – 37 hours; Monday – Thursday 8am- 4.30pm and Friday 8am-1pm (half hour lunch)

If you feel you have the qualities and experience to excel in this post, please send a covering letter together with your CV to Laura Daniel: ldaniel@monoequip.com
