

Bath Bombs?

It's Surprising What You Can Make with a **MONO Depositor**

It's widely accepted that **MONO's depositors** are superb at producing a vast range of confectionery products like cupcakes, muffins, macaron, eclairs, cookies, shortbread, brownies etc. with accuracy and consistency, but did you know they can also be used to create a huge range of products you might not have thought about?

10 Products You Can Create with a **MONO Depositor**

- Soap Cakes and Bath Bomb Cakes
- Crispbreads
- Dog Biscuits
- Duchess Potatoes
- Layered Sauces Like Bechamel
- Gluten-Free Rolls
- Madeleine
- Mouses and Desserts
- Tartlet Fillings
- Novelty Seasonal Products

The full range of our Confectionery Depositors can be found on:
www.monoequip.com
and you can see videos of our depositors in action on our YouTube channel: **'monoequip'**.
