

www.monoequip.com

Now You Can View MONO's NEW Improved Website on Your Tablets and Smartphones!

MONO's new website, www.monoequip.com, is bigger, better and more informative than ever before, and is now designed to work perfectly on all your devices including PCs, tablets and smartphones!

The site contains a whole host of new features to make your experience even more rewarding, more informative and more enjoyable:

A **NEW 'About Us'** section details the rich and varied story of **MONO** through the decades from its inception in 1947 to the present day; some of the historic pictures are bound to amuse you!

A **NEW 'Industrial Products'** section offers a range of bakery equipment, including mixers, ovens and pastry lines, aimed at larger bakeries which need higher production volumes; come and check out the big toys!

A **NEW 'Industry Sectors'** section which highlights the growing list of industry sectors which **MONO** supplies; some of which will definitely surprise you!

A **NEW 'Case Studies'** section features actual case studies of companies which have chosen **MONO** to help them improve their efficiencies and increase their productivity and margins; this will grow into a great reference area.

A **NEW 'MONO Masterclass'** section where you can discover the latest Masterclass offered by **MONO** and run by recognised experts in the industry.

A **NEW 'Recipe of the Month'** section which provides a monthly download of our favourite recipe which you can make at home; check them out now and download for free!

A **NEW 'Video'** section which will grow to include Corporate Videos, Equipment Videos and the all-important How To videos; view a selection of our current videos online now!

A **NEW 'Contact Us'** section which will ensure contacting the right person at **MONO** is both quicker and easier!

We'd love to hear what you think of our new website! Just visit www.monoequip.com and provide your feedback!

Phase II of our new website is already being planned - so keep looking for even more features and services to come!
