

OUR MOST ENERGY EFFICIENT OVEN. EVER.

The **BX Eco-Touch** range of Convection Ovens from **MONO** Equipment is one of the most energy-efficient on the market today.

Each oven is packed with an array of energy-saving features to reduce energy consumption while still producing a superb and consistent bake each and every time. Add to that the British craftsmanship and reliability that **MONO** ovens are renowned for and you'll understand why our *Eco-Touch* ovens are the preferred choice of many of the world's leading supermarkets, bakers, restaurants, food service outlets and convenience stores.

Contact our sales team today to find out more about the **BX Eco-Touch** Convection Oven range from **MONO** Equipment.
