Foodex, Hall 20, Stand P170

**MONO Harmony DX
Eco-Touch Deck Oven**

- British made
- Available in 1,2,3 and 4-tray width models
- Reduces energy consumption by only heating decks required
- Ideal for producing artisan and oven bottom bread

MONO manufacture ovens that independent bakers, foodservice outlets and large supermarket chains have been relying on for over 70 years. Contact our sales team today for Deck & Rack ovens that won't let you, or your business down.

**MONO MX Eco-Touch
Rack Oven**

- British made
- Designed for continuously baking a wide product range
- Zero waiting time between bakes
- Rotating rack for more volume, a better crust and uniform baking.
