

# BX Eco-Touch 5-Pan Convection Oven

## 18" x 26" Portrait

### FG189T

MONO Equipment's BX Eco-Touch Convection Oven provides the perfect bake-off solution and is used by many supermarket chains, restaurants and food-2-go outlets.

One of the most striking aspects of the Eco-Touch Ovens is the innovative Color-Touch Screen Controller which is packed full of innovative programmes and energy-saving features. The touch-sensitive screen provides a colorful, user-friendly interface via an icon-driven menu system which provides the baker with a visual update of each stage of the baking process. A total of 240 bake programmes can be stored across 12 product categories, with each programme containing up to 6 distinct phases.
